JUNE 2018

5/15/2018 **Trivia** was enjoyed by 21 Grovers discussing questions like:

On what show did Elvis introduce “Hound Dog” in May of 1956?

Which kinds of bulbs were once exchanged as a form of currency?

Which nation was first to give women the right to vote?

The Weather Channel began broadcasting in the US on May 2—of what year?

The winning table was Susan Rochette, her son & daughter-in-law, Susan & George Crowell.

Next trivia is scheduled for **June 12**—plan on joining in on the fun discussions.

WE DO NEED HOSTS for the remainder of the year. Please see the sign-up sheet and become a host--it's as much fun coming up with the questions as it is getting the answers!

**Bunko** had another successful month with friends enjoying an easy game and fun socializing. Don't let the fact you never played Bunko stop you from joining in the fun—all you have to do is roll dice, change chairs occasionally, and enjoy socializing between the rounds (snacks and wine have been great—thank you to all that are signing up to bring a little treat). Here are a few photos of the gaming and the group photo including the night's winners—please add the 2nd Monday of the month (next is **June 11 starting at 6:30 pm**—but please come a little early so the setup can be ready by 6:30) Cost is only \$3.00 and all money collected is divided up by Most Bunkos, Most Wins, Most Losses & a Random Drawing of all others playing. Many had fun:

Some had extra smiles: Joyce for Most Wins, Shardell for Most Bunkos, Rod for Most Losses and Pat won the drawing!

## WATER AEROBICS

Ladies Lunch at Ivey's in Robertsdale

**Classic Movie Night** - Now that the audience from our first movie, "West Side Story" has relived this updated version of Romeo & Juliet, sung 'Tonight' & 'I Like To Be in America' and dried their eyes over the fate of Tony & Maria, next up on **June 8 at 7:00** is the 1959 western "Rio Bravo" featuring John Wayne, Dean Martin, and a young Ricky Nelson.

We will provide some light snacks and you are welcome to bring your own plus your beverage of preference and a comfy chair. We did find that sitting on the chairs in the clubhouse for a 2+ hour movie was not to our liking sooooo we will be moving tables & chairs to the walls and using the room for 'open' seating. Hope to see you then. Any questions, call Joyce Roberts at 943-3180.

### **B-I-N-G-O**

In case you did not know - - we play B-I-N-G-O at the clubhouse on the 2nd and 4th Tuesdays of every month. We start at 6:30 pm, and we play for approximately an hour. In that hour, we usually play several "games". Each "game" consists of 3 variations of BINGO, and can be a lot of fun.

The first variation is traditional, straight line BINGO (Vertical, Horizontal or Diagonal) with the winner getting one single BINGO on a card. The second variation is that the winner has to get TWO BINGOs on one card (in this variation, covering each of the 4 corners counts as a BINGO). The third variation will mean that the winner covers their numbers in a pattern determined by the caller before that game started.

The last "game" of the evening will be the "coverall", where every number on the winning card has to have been called.

Our crowds vary in size, depending on our player's personal schedules - - most nights we have 8 to10 players.

We encourage you to join us for an hour or so of fun and great socializing - - where you might just win enough nickels to buy a burger at McD's - - the burgers ARE still selling for 15 cents, aren't they???
