MAY 2018

Bible Study

Thursday's @ 11:30 to 12:30 at clubhouse. Please consider joining us for Bible Study as we continue in the book of John. We discuss many questions that aren't directly related to our study but are directly related to our Christian walk: Can I lose my salvation? Will we be reunited with our spouses in heaven? Do you have to be baptized to be saved?

Those are just samples of the questions we have discussed and there will be many more in the future. Maybe you have a question or something that's been troubling you. If so, consider joining us that you may receive an answer or receive peace about what's on your mind. We have room for you. May God bless.

Contact Jerry Wood @ (334) 451- 0138 or jwood4988@gmail.com for more info.

The Grove Club is growing. We had 15 golfers at Gulf Links Wed, Apr 18. All skill levels are welcome to join us on the 1st and 3rd WED of each month. Play 9 or 18, just come out and have fun. Meet other grove golfers. See you on the links.

CHAIR EXERCISES/WATER AEROBICS

Beginning Wednesday, May 2nd, chair exercise classes will begin at 9 a.m. and water aerobics at 10 a.m. The classes will be held on Monday, Wednesday and Friday. Any questions please contact Dianne Pawlawski or Patricia Loving. Water noodles will be provided if you don't have any.

B-I-N-G-O

In case you did not know - - we play B-I-N-G-O at the clubhouse on the 2nd and 4th Tuesdays of every month. We start at 6:30 pm, and we play for approximately an hour. In that hour, we usually play several "games". Each "game" consists of 3 variations of BINGO, and can be a lot of fun.

The first variation is traditional, straight line BINGO (Vertical, Horizontal or Diagonal) with the winner getting one single BINGO on a card. The second variation is that the winner has to get TWO BINGOs on one card (in this variation, covering each of the 4 corners counts as a BINGO). The third variation will mean that the winner covers their numbers in a pattern determined by the caller before that game started.

The last "game" of the evening will be the "coverall", where every number on the winning card has to have been called.

Our crowds vary in size, depending on our player's personal schedules - - most nights we have 8 to 10 players.

We encourage you to join us for an hour or so of fun and great socializing - - where you might just win enough nickels to buy a burger at McD's - - the burgers ARE still selling for 15 cents, aren't they???
