The endangered sea turtle has begun to make its annual pilgrimage to our shores to lay their eggs. From July to October, these nests produce baby sea turtles that will make their way back to the ocean. Without volunteers to help during this nesting process, the newly hatched sea turtles may not find their way to the warm Gulf waters to embark on their journey. Contact Diana Nichols or Morgan Coombs if you would like to volunteer and they can direct you to agencies that may need volunteers. If you can't volunteer consider Adopt a Nest/Donate. Go to www.alabamaseaturtles.com/adopt-a-nest/ for more information.

EASTER DINNER

Stepping up and volunteering to host an event is quit a step for people. Mark and I decided to host, as we wanted to be able to spend Easter with our friends and neighbors at The Foley Grove. But these dinners cannot be done without the excellent volunteers that step up to do all the work that goes on behind the scenes. We would like to thank **Pat Weaver, Roxie Ewing, Connie and Bill Groves, Gwen and Don Mosby, Dawn Lucas Laura Siracusa and Lorraine Carvalho.** A special thank you to **Coastal Cakes and Confections and Beth Barry** for the donation of a beautiful gift basket that we were able to give away. Also, a big thanks to **Patty and Patrick Ethridge** for supplying us with the candy and eggs and the cash donation that went into our Easter egg give-a-way. We served about 80 meals and delivered another 5 to our neighbors who weren't able to attend with more holidays coming up,

please think about stepping outside the box and volunteer to host an event. You will find we have the best volunteers to assist with you hosting an event. Thank you.

sold hot dogs, drinks and chips throughout the neighborhood. Everyone agreed that Saturday is the best day for the garage sale.
